**TRUSTEE
RECRUITMENT**

Dear applicant...

Thank you for your interest in joining the Board of Directors at Stirlingshire Voluntary Enterprise. We've put together this information pack to provide you with all the necessary details for your application to volunteer with us.

Becoming a trustee for a charity is a rewarding experience, and being part of the Board of Directors for a Third Sector Interface (TSI) like ours is quite unique. If your application is successful, you'll have the chance to contribute to an innovative and forward-thinking charity, while also supporting our member organisations – a diverse group of charities, social enterprises, and community organisations that rely on SVE. Our Directors play a key role in fostering a vibrant third sector in Stirling.

The process for appointing new Directors is ongoing, and we'll keep you informed about the status of your application, including potential interview opportunities. Feel free to reach out to our CEO, Natalie natalie@sventerprise.org.uk, if you'd like to discuss the Trustee position before applying.

We truly appreciate your interest in joining us, and we look forward to the possibility of having you on our team.

Board of SVE

Stirlingshire Voluntary Enterprise (SVE) is the development and partnership agency for the third sector in Stirling. Our members are locally based charities, social enterprises, voluntary and community organisations.

Stirling's 3rd Sector

Leaders appreciate
accurate information

Stirling's diverse third sector is made up of charities, social enterprises, voluntary and community groups.

The third sector supports people, runs services, and offers activities and opportunities. Third Sector organisations are run by volunteers (trustees), and use any money they receive for their beneficiaries.

VISION

Stirling is thriving. All citizens have opportunities to connect with their community, and work together to deliver outcomes that will improve lives.

MISSION

Strengthen the third sector voice and capacity in Stirling to deliver progressive community-led change, by brokering partnerships and connecting people, ideas and resources.

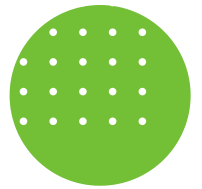

VALUES

Partnership - We enable partnership and collaboration across society.

Priorities - We tackle the root causes of poverty and inequality through our work.

Practice - We strive to constantly improve and value feedback and involvement from stakeholders to strengthen our work.
